

Unpolished and honest!

Great cajun music!

ALLIGATOR GUMBO

"... excellent example of the music of south Louisiana. It's social music, made for family gatherings and other parties. This is how it sometimes sounds on back porches, or at the dance halls down here.

So let's boil some crawfish, ice down the beer and let's dance!"

BENGT LINDELL, WELSH, LOUISIANA

*First and second runner up winner
PRIX D' HORS DE NOUS 2014
by the Cajun French Music Association!*
